KENTUCKY DOWNS 2024

Por Roberto Rodriguez

Kentucky Downs es sin duda una de las temporadas más emocionantes e interesantes dentro del calendario hípico de Norteamérica, sus siete programaciones estarán comprendidas entre los días 29 de agosto y 11 de septiembre del presente año.

Con al menos un evento de corte selectivo garantizado en cada programa de carreras, Kentucky Downs ofrecerá un total de \$37,000,000 (garantizados) en premios de repartir entre todas sus competencias, incluyendo \$16 millones provenientes el Fondo de Desarrollo de Purasangres de Kentucky, KTDF por sus siglas en inglés. Esta cantidad de dinero en específico que ofrece el KTDF beneficia a los ejemplares nacidos en el Estado de Kentucky, y sirve como una especie de estímulo para sus propietarios, razón principal por la cual las carreras de Kentucky Downs presentan los lotes más nutridos del país.

UNA PISTA ESPECIAL

Uno de los detalles particulares que caracterizan a esta pista ubicada en una zona rural en Franklin, Kentucky, es su conformación. No es el típico circuito de césped, de hecho, es el único hipódromo de estilo europeo de Norteamérica. Todas las carreras se disputan en césped en un circuito no tradicional de aproximadamente 2,100 metros. Hay dos curvas que encajan en general en el modelo estándar en este lado del continente, pero una tercera curva, quizás menos pronunciada, que va hacia la derecha, no hacia la izquierda, un poco antes de la curva lejana. A esto debemos sumarle sus respectivas ondulaciones de diversos grados a lo largo y ancho de la superficie.

El promedio de participantes por carrera en Kentucky Downs llegó a ser de 10.6 ejemplares en el 2022, cifra que descendió un poco el año pasado a 10.4. Sin embargo, no deja de ser uno de los grupos más nutridos por carrera de la nación.

programados, resaltan el Nashville Derby Invitational G3 en la jornada inaugural, con \$2.5 millones en premios a repartir. Mientras que el Nashville Gold Cup (\$500,000 garantizados) a celebrarse el 11 de septiembre, representa una de las carreras planas para purasangres más largas en Estados Unidos, la misma se disputará en 3,300 metros.

Sin embargo, la programación de lujo será sin duda la del 7 de septiembre, con cinco eventos de Grado, cuatro de estos con \$2,000,000 a repartir cada uno; Ladies Marathon G3 (\$1M), Mint Millions G3 (\$2M), Music City Stakes G2 (\$2M), y dos pruebas de la serie Gana y Estás Dentro de las Breeders' Cup 2024 como lo son el Turf Sprint G2 (\$2,000,000) y Kentucky Downs Turf Cup G2 (\$2,000,000).

HABLEMOS DE ESTADÍSTICAS

Desde 2019, es decir en la últimas cinco temporadas de Kentucky Downs, muchos profesionales se han destacado en este corto pero competitivo meeting. Sin embargo, Mike Maker y Tyler Gaffalione han sido los que más han dominado y los números así lo reflejan. A pesar de ver interrumpida en 2023 su cadena de tres campeonatos consecutivos como líder o co-líder entrenador, siendo superado por Brendan Walsh (8), ningún otro preparador ha ganado más carreras, o ha producido más dinero en Kentucky Downs en los últimos 5 años que Mike Maker. El nativo de Garden City, Michigan acumula 32 victorias y suma \$6,964,895 producidos durante ese periodo. Su más cercano rival el Wesley Ward

quien marcha segundo en ambos departamentos con 22 triunfos y \$3,626,308 en ganancias metálicas.

Ganador de tres de los últimos cinco títulos disputados, el chico de oro de la Florida Tyler Gaffalione es quien suma más victorias entre los jinetes desde 2019 con 45 visitas al círculo de ganadores. Tyler además comanda en dinero producido con \$9,519,702, seguido por Joel Rosario \$8,550,118, y Jose Ortiz \$5,926,987. Estos dos últimos, han sido los únicos fustas en las recientes cinco temporadas en ganar un título además de Gaffalione. El menor de los hermanos Ortiz lo hizo en 2019 con 10 victorias, mientras que Joel Rosario implantó récord de más triunfos para un meeting en Kentucky Downs con 17 en 2021.
